

Terms of Use for CIHI's Physician Resources Planning Public Visual Graphs

The Canadian Institute for Health Information (CIHI) has developed the Physician Resources Planning Public Visual Graphs (the “**Graphs**”). The Graphs are based on various data sources (collectively, the “**Data**”) provided by the Association of Faculties of Medicine of Canada, the Conference Board of Canada, the Royal College of Physicians and Surgeons of Canada and the College of Family Physicians of Canada (collectively, the “**Data Providers**”), and on CIHI's Scott's Medical Database (**SMDB**).

CIHI is making the Graphs available solely for non-commercial use related to the Canadian physician supply. You can access and use the Graphs for internal reference purposes only (the “**Purpose**”).

You cannot

- Repurpose, modify, translate, publish, create derivatives, distribute, convey, sell, sublicense or otherwise share the Graphs;
- Provide others with access to the Graphs; or
- Copy or reproduce the Graphs in whole or in parts, except for 1 back-up copy for archival purposes.

You will not alter, cover or remove any acknowledgement, copyright or other proprietary rights notice placed by CIHI or a third party on the Graphs. You obtain no title in or other rights to the Graphs other than those access and use rights expressly granted to you by these Terms of Use. You will not take any action that may jeopardize CIHI's or any of the Data Providers' intellectual property rights in the Graphs, SMDB or the Data, respectively. If you become aware of any infringement of CIHI's or any Data Providers' intellectual property rights in the Graphs, SMDB and the Data, respectively, you will promptly notify CIHI and use commercially reasonable efforts to help CIHI protect those rights.

THE GRAPHS ARE PROVIDED “AS IS” AND WITHOUT WARRANTIES OF ANY KIND, INCLUDING THAT THEY WILL MEET YOUR REQUIREMENTS, AND WITHOUT ANY LIABILITY TO CIHI OR TO THE DATA PROVIDERS, INCLUDING, WITHOUT LIMITATION, NO LIABILITY FOR CONSEQUENTIAL OR SPECIAL DAMAGES OR LOST PROFITS FOR ACCURACY OR COMPLETENESS OF DATA. CIHI AND THE DATA PROVIDERS DISCLAIM ANY LIABILITY FOR ANY CONSEQUENCES DUE TO USE, MISUSE OR INTERPRETATION OF INFORMATION CONTAINED OR NOT CONTAINED IN THE GRAPHS, SMDB AND THE DATA.

You will ensure that all archival copies of the Graphs employ the following notice as well as the appropriate acknowledgement to CIHI and/or the Data Providers, as applicable and as found on the Graphs:

“These Graphs were created using the Pan-Canadian Physician Resources Planning Tool, which is owned by Health Canada and sublicensed by the Canadian Institute for Health Information.”

Non-compliance with the above Terms of Use may result in consequences that include but are not limited to the following: revocation of the rights granted to you under these Terms of Use and a requirement to securely destroy or return the Graphs.

If you do not or cannot agree to the above Terms of Use, you may not access, view or use the Graphs. If you access, view or use the Graphs, you are indicating that you have understood and agreed to the above Terms of Use.

If you have received access to the Graphs through a separate licence agreement with CIHI, the terms of that separate licence agreement will prevail in the event, and to the extent, of any conflict or inconsistency between these Terms of Use and that separate licence agreement.
